

Australian Government

Nominate a scientist, researcher or research-based innovator

Prize recipients are awarded a share in \$750,000 prize money enabling them to showcase their scientific discovery or commercial venture on the national stage.

Nominating is easy. All you need is:

- a willing scientist or research-based innovator
- a copy of their CV
- a 500-word summary describing their achievement/s
- details of two supporters and two independent referees.

Nominate at
business.gov.au/scienceprizes

Nominations close 5:00 pm AEDT 10 February 2022.
