

THE ASTRONOMICAL SOCIETY OF INDIA

Prof. M. K. Vainu Bappu Gold Medal 2022

The Astronomical Society of India invites nominations for the award of the **Prof. M. K. Vainu Bappu Gold Medal** for the year **2022**.

Instituted in the memory of late M. K. Vainu Bappu, founder President of the Society and a past President of the International Astronomical Union, this medal is awarded once every two years to honour exceptional contributions to Astronomy & Astrophysics by young scientists anywhere in the world.

Young astronomers with exceptional achievements and promise are eligible for the award. The scientific achievements may be in any branch of astronomy, astrophysics and related fields. There are no restrictions on nationality. The nominee must be of 35 years of age or below, as on 31 Dec 2022. Work done prior to 31 December 2021 will only be considered.

The nominations may be made by Heads of Institutions, Directors of Observatories, Heads of Departments or Senior scientists.

For the award year 2022, the nominations for the award must be received by **01 Dec 2022** through online form. The details can also be found at the following QR code.

Details can be found at the ASI website
