AI & Innovation

AI & Innovation is an international, peer-reviewed, multi-disciplinary journal sponsored by the Institute for Digital Economy and Artificial Systems [IDEAS] of Xiamen City and developed in strategic partnership with both the School of Economics and Management at Tsinghua University and with the Institute of Artificial Intelligence of Xiamen University. The journal is devoted to exploring, from a holistic and interdisciplinary perspective, the profound socio-technical implications (including ethical ramifications) of the forthcoming AI revolution, especially in relation to innovation, technological development, and governance.

Editors-in-Chief

Jin Chen
Tsinghua University
China

Rongrong Ji
Xiamen University
